CRANSTON POLICE CONDUCTING A COMMUNITY SURVEY

The Cranston Police Department is conducting a community survey regarding police services and crime. This survey is designed to provide the police department administration with insight related to the current state of customer service, crime related perceptions, community concerns, and also desired police services. Responses to this survey will be anonymous, unless contact information is provided by the individual completing the survey.

The community survey is open to everyone, regardless of residency, however all residents, business owners, and visitors to Cranston are strongly encouraged to complete this brief survey. This is a valuable opportunity for the department to analyze the perceptions and realities of both the police and community to develop a focused and targeted strategic plan for the future of our city. By completing this survey, you will provide the Cranston Police Department with important information that will help to guide the future programs and activities of the agency. The results of this survey will be used as a catalyst for continued improvement along with the efficient deployment of agency and community resources.

Disclaimer: All individual(s) contained in this press release are presumed innocent until proven guilty in a court of law.

The survey should take no more than approximately 10 minutes to complete and will be available on the Cranston Police Department website at www.cranstonpoliceri.com as a link or can be accessed directly at <https://surveyplanet.com/590b3fa986db245a633a5bb0>

The links have also been published on the department **Facebook** page and **Twitter** feed. It will be available until July 30th, 2017.

Your participation is greatly appreciated.
